Prayer

Loving God,
By your hand we are lifted and sustained through every season of life.
From you we receive enough for ourselves,
and we find that there is always enough to share.

We pray for the world that you love and every person in it.
We lift to you our sisters and brothers—
those who are nearby and those who are far away.
Bless the work of their hands and the people with whom they will share.
May your reign of love expand in every corner of the earth.

We pray for all people who have been struck down by illness, injury, and injustice.
We mourn with all who are caught in the grips of fear, insecurity, and violence.
Give unto them and us strength in our bodies and hope in our minds,
comfort in our hearts and peace in our souls.
In the name of Jesus we pray, Amen.
