

Offering moment

Invitation to the offering

The Advent Offering of the Church of the Brethren highlights our commitment to Christ-like peacemaking. It supports Core Ministries like Discipleship Ministries, international partnerships, the Office of Peacebuilding and Policy, and many other ministries of the larger church.

When we give, we celebrate the ways in which God is working among us. And as we give, let us remember the faithfulness of God throughout the ages—with Israel, as revealed in Jesus, and with the church—and look with hope to what God will yet do in us and in the world.

Let us give now, celebrating how God is here.

Prayer for the offering

Loving and generous God,
We thank you for your work among us and in the work of the larger church.
We stand in awe of what you have done and what you will continue to do.
Bless these tithes and offerings, these gifts of love.
May all that they accomplish bring glory and honor to you.
In the name of Christ we pray.
Amen.
